

PLEDGE FOR CONGRESSIONAL CANDIDATES

As a congressional office holder or candidate, I promise that, as long as I hold office:

1. I will always support the Constitution of the United States and the Constitution of this State. Every issue. Every time. No exceptions. No excuses.
2. I do, and will continue to oppose any and all efforts by the federal government to act beyond its Constitutional authority.
3. I will oppose Federal mandates that use Federal funding as an incentive to comply.
4. I will vehemently oppose any measure giving another country, the United Nations, or any other entity, power over U.S. citizens.
5. I believe in a balanced budget and will vote for cutting government spending, not exceeding 2008 budget levels and decreasing the deficit until that goal is realized.
6. I will not support legislation that will result in a tax increase and will vigorously oppose all efforts to do so.
7. I will support energy plans that call for immediately increasing usage of all domestic resources including nuclear energy, natural gas, and coal as necessary.
8. I believe in the sovereignty and security of our country and State, and will therefore support measures to close our borders except for designated immigration points so we will know who is entering and why.
9. I will support legislation that requires term limits for our elected officials.
